## THE ELECTION

### NEXT TUESDAY.

Every Elector Should Turn Out and Cast a Ballot Giving Mr. Rieman and Associates a Franchise.

Next Tuesday will occur the special election to determine whether or not Charles S. Rieman and his associates shall be granted a franchise to operate a railway over and along certain streets in the City of Daytona.

Daytona has long felt the need of a line to the county capital, and the Gazette-News feels confident that the present petitioners are acting in good faith and intend to complete the road just as soon as possible. Stories of various kinds, as is usual in such cases, have been circulated to the effect that "Rieman has sold out," etc. The editor of the Gazette-News is in position to know differently and we can conscientiously assure our readers that Mr. Rieman has not sold out, neither does he expect to.

As soon as the work commences on the railroad it will bring prosperity to the city during the otherwise dull summer months, and when completed will bring closer in touch the people of the county. In addition it will give a material reduction in the freight rates.

Every elector should go to the polls next Tuesday and cast a vote in favor of the franchise.

If Daytona wants a motor railway to DeLand it is probably now or never.

Vote for the franchise.
